Many Matters of Interest to All Virginians.

## MASONIC TEMPLE RECEPTION

A Notable Outpouring of Friends at the Hoge Semi-Centennial. Crisis in the First Regiment. Convention of Confederate Veterans.

Special Dispatch to the Virginian. RICHMOND, February 26.—The reception given to-night at the Masonic Temple in honor of the fiftieth anniversary of Dr. Hoge's pastorate was a notable affair. For two hours or more a steady stream of people passed into the spacious assembly room of the Masonic Temple and shook hands with the venerable divine. There were Protestants and Catholics, Jews and Gentiles, male and female. The First Regiment attended in a body and there were delegations from the other military organizations and the Veteran Camps. Hoge Academy, recently established at Blackstone, sent its faculty and a committee of students with congratulatory resolutions. At the close of the reception a supper was served to the specially invited guests. To-morrow morning two purses of gold will be quietly presented to Dr. Hoge at his residence.

The troubles in the First Regiment are believed to be approaching a crisis. Certain officers having failed to take the hint that their resignations would be accepted, nothing remains for the Governor to do but to demand these resignations or disband the regiment. Gov. O'Ferrall is now considering which is the best thing to do, and will decide in a few days. He had a conference to-day with officers of both factions, but the result of it could not be ascertained.

A gentleman from Rockbridge told me to-day that no one could imagine the far-reaching effects of the robbery of the bank at Lexington of all its money. Many people have lost all their savings of years, and their gloom and distress throughout the county. My informant told me the saddest part of the matter is the large number of women and children who are rendered almost penniless.

Gov. O'Ferrall expects to attend the convention of the Confederate Veterans in Houston, Texas, in May. Lee Camp invited him to accompany its delegates and he has written his acceptance. It is the purpose of the Governor to ask all the members of his staff to accompany him, and it is likely they will go. It is understood that an effort will be made to have the convention next year meet in Richmond.

It is already apparent that there will be intense interest in baseball in Richmond this year. Manager Wells, of the Richmond Club, will arrive here on March 15th and from that time until April 1st the players will be coming in. Persons who have been looking up the records of players say the Lynchburg team is probably the strongest in Virginia. Mr. R. W. Courtney, local agent of the Norfolk and Western road, has received an open letter from Mr. Polk Miller, the well known Virginia lecturer, in which that gentleman goes for the Norfolk and Western with gloves off.

Mr. Webster S. Rhoads, a member of the well known dry goods firm of Miller & Rhoads, and Alice Burford were married here this morning.

Mr. David Porter Guest, of Norfolk, and Miss Lucille Myra Powers were married to-night at the residence of Mr. Robert W. Powers, father of the bride. The elegant mansion was most handsomely decorated and there was a large and fashionable company present. It was one of the prettiest home weddings ever witnessed here.

Young George Bohen, who was injured in the football game in Washington on last Thanksgiving day, is still in a critical condition, though probably a shade better. For three months he has been almost at the point of death, but his life still hangs by a thread.

## How to Save Money and Health.

Most people have some trouble with their health which they would like cured if it could be done easily and cheaply. Dr. Greene, of 35 West 14th street, New York city, who is the most successful specialist in curing nervous and chronic diseases, makes the following offer: He gives you the privilege of consulting him, free of charge, through his great system of letter correspondence. Write him just how you feel and what symptoms trouble you. He will answer your letter, explaining your case thoroughly, telling just what ails you and how to get strong and well. He gives the most careful attention to every letter and makes his explanations so clear that you understand exactly what your complaint is. And for all this you pay nothing. You do not leave your home and have no doctor's fee to pay. The Doctor makes a specialty of treating patients through letter correspondence and is having wonderful success. He is the discoverer of that celebrated medicine, Dr. Greene's Nervine blood and nerve remedy. If you write him at once you will doubtless be cured.

Coming in. New, beautiful and useful novelties for birthday and other gifts. Diamonds and watches can be found in greater variety at Frank H. Gale's than elsewhere. 152 Main street.

## A GALLANT SOLDIER.

Mr. George E. Shafer, of Scranton, Pa., saw service in the Rebellion—A Well-Known G. A. R. Comrade.

[From the Scranton, Pa., Republican.] Mr. George E. Shafer, of 1559 Von Storen avenue, Scranton, Pa., wears the honored brown tunic of the Grand Army of the Republic. He enlisted in Company A of the Fifteenth Regiment, Pennsylvania Volunteer Infantry, at the outbreak of the war, and after a year of service practiced his trade, that of a machinist, with the army in Tennessee. He is now a member of Griffin Post, No. 129, of Scranton.

Mr. Shafer was a mere boy in those days, and to-day he carries his 50 years lightly. He says he has had very little sickness during his life, although for a number of years past he has been troubled with dyspepsia—a disability that may be traced to his camp life and his constant work in the shops.

"Dyspepsia doesn't bother me much now, though," Mr. Shafer told a reporter. "Pain killer was recommended to me, and remembering its great efficacy in curing the pains of soldier life, I tried it. Before that I suffered untold agony with that 'damp of lead' you have undoubtedly heard a lot of men experience it. It is worse than the lead from the musket of a foe. It used to attack me at all sorts of times, usually without warning. Before I began to use Pain Killer I could not get relief except to let it wear itself out. There was nothing that I could eat and enjoy without danger of bringing on an attack. But now I have no trouble at all, continued Mr. Shafer. "I eat what I please and when I please, and enjoy the best of health. If the 'damp of lead' appears I simply take two or three drops of Pain Killer in a little water or milk and it disappears instantly. The result is I am never without Pain Killer, but always have it with me wherever I go."
